MEMORANDUM FOR: OD/CO

VIA: SE/CP

SUBJECT: Daily Progress Report for Monday, 1 December 1952

BOPIEND

Athens advises that a debriefing of the 5-man Fig Team reveals that they exfiltrated to Greece on 13 November (see Daily Report for 18 November 1952) because they were unable to find suitable winter quarters for the permanent W/T base they were to have established north of Korce. This team earlier reported that they were in touch with 200 men who were ready to take to the mountains upon receipt of arms and ammunition. (See Daily Report for 7 November 1952). In the debriefing the team reported that the net involving the 200 men was secure and the leaders are ready to undertake overt action on 24-hour notice. This net includes members of the army and the security forces. (IN-16963 - 29 November 1952).
